The Business establishment may be a Company, Industrial unit, Wholesaler, Retailer, Distributor Office, Dealers, Company Showroom, Company Office, Service Organizations, Government Offices, NGO`s etc. Students must read these guidelines carefully and clarify doubts, if any, before proceeding for Summer Training Project.

Margin between paragraph 2 line

Left
Margin
1.5
inch

All the students enrolled for BCA Programme have to undergo compulsorily the SUMMER TRAINING for 50 working days in an organization. The objective of this training is to test the ability of the students to work on any topic/problem related to any functional area. The problem/topic can also be assigned by the organization in which the students undergo in-plant training in the absence of which students is free to select any topic/problem as his/her own accord.

Right
Margin
1 inch

Margin between paragraph 2 line

Keeping in view the first year curriculum for giving exposure to different functional areas and research methodology in BCA, the students have to collect the data relevant to their topic or problem and analyze the same methodologically, make intelligent observations and offer some practical suggestions. In order to complete the task following Chapter Scheme is suggested which can be adopted with or without modifications.

← This is Spine

The spine of the book is an important aspect in Project design, especially in the cover design. When the project are stacked up or stored in a shelf, the spine is the only visible surface that contains the information about the book.
